My dear Mrs. Manley:

As president of the Progressive Social Club for the Blind, I represent this organization, asking you to kindly give us the use of your bus on an outing which we hope to have on Thursday, August 7th.

Let me say a word about our group. It is composed of totally blind and partially seeing members, and of a few well-wishers who see. We have twenty-two members, most of whom are either middle age or nearly so. But few of us have very little opportunity for pleasure.

If it is convenient for you, we have planned to leave from the Friendly Neighborhood House at 8:00 o'clock in the morning and to return there not later than 10:00 in the evening.

If we are able to carry out our plan, that day will be one which will long be in the minds of the members and which will stand as a landmark in the history of our club.

Thank you for any consideration you may be able to give us.

Yours very sincerely,

Newman Burrell
